Term 3, 2023: 10 Jul - 15 Sep

Term 4, 2023: 2 Oct - 20 Dec

Principal Team Report

Book Week

Last week we celebrated Book Week! Each year, the Children's Book Council of Australia (CBCA) brings children and books together celebrating CBCA Book Week.

The week-long event is an annual celebration of books written for young people, and hopes to inspire a love of reading. Schools, libraries and communities across the country host numerous events and activities that connect readers with books and celebrate the joy of reading.

Here at MWNPS, students have been engaged in a range of activities relating to literature and celebrating the joy of reading. This year's Book Week theme is 'Read, Grow, Inspire'.

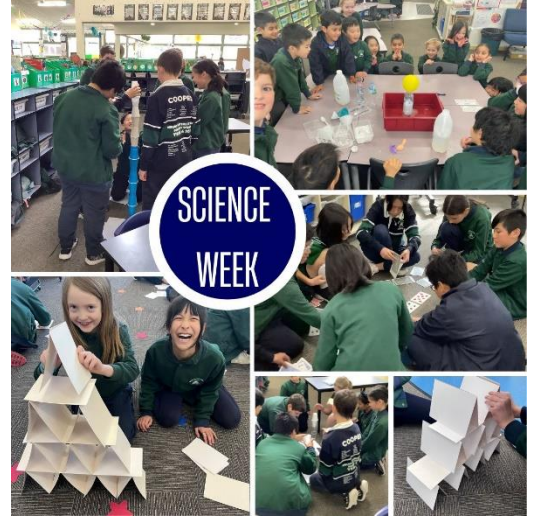

The week was filled with amazing activities, including author visits, incursions and finishing the week with a Book Week Dress Up Day Parade.

National Science Week

For National Science Week, students participated in a variety of practical activities. The theme for this year is Innovation: Powering Future Industries.

Students completed a number of design based activities such as creating paper chains, paper planes, building cup towers and making 3D shapes out of different materials. Other science experiments helped the younger students learn about chemical reactions, such as blowing up balloons with bicarb soda and vinegar. In STEAM, we completed practical experiments related to our topic this term in physical science.

District Athletics

On Thursday the 24th of August, we had 57 students compete at the District Athletics Carnival at Bill Sewart Athletics Track. It was a perfect day for an athletics meet with the field events being up first, followed by the track events. Our students did a great job coming away with some excellent results across the field and track events. We, again, could not be prouder of the way our students cheered, encouraged and demonstrated sportsmanship to other competitors receiving a number of compliments from other school staff and parents. We finished the day with an amazing 3rd place overall, matching our best result. We would like to thank Mr Smith for organising the event for our students. We are excited to announce that we have seven students progressing through to Division later in the year in individual events and a relay team. We wish them all the best and look forward to hearing how they go.

National Day of Action Against Bullying

Every third Friday of August we recognise the National Day of Action against Bullying and Violence. This year's theme was 'growing connections'. This theme supports research findings that strong school community connections and social skills are protective factors in the prevention of bullying and help enable positive, help-seeking behaviours in students.

Throughout the week classes and cohorts came together to continue to build and grow positive connections with their peers and school community. Students engaged in a number of activities throughout the week and had opportunities to work across year levels.

Write A Book In A Day

On the 31st August, Year 5/6 students took part in a wonderful creative writing opportunity called Write a Book in a Day. In groups of 5-7, students planned, drafted, published and illustrated stories based on specific parameters assigned to them, all in 12 hours!

These books are then entered in to The Kids' Cancer Project and money raised goes towards child cancer research. Students' books will be printed and given to children who are currently in hospital to provide them with fun literature to read. Thank you to the families for supporting your child in this experience! We are very proud of the work they have put in and the incredible stories they have written.

Hats

As per the school's SunSmart policy, from Monday 14th August, all staff and students are required to wear a sun hat during recess, lunchtime and outdoor sport. Any child without a hat will be limited to play in a shaded area.

The navy hat must protect the face, neck and ears, and be broad-brimmed, legionnaires style, or a bucket hat. School hats are available from PSW on Springvale Road, Glen Waverley. No caps are permitted.

When it comes to using sun protection, temperature isn't a good guide. You can't see or feel UV but UV is the part of the sun that can damage skin and eyes and lead to skin cancer. SunSmart advises that Victoria's UV levels start to rise from mid-August. Please remind your child to pack their hat, sunglasses and sunscreen. For SunSmart information visit <https://www.sunsmart.com.au/communities/parents>

November 2023

Time: 3.45 pm— 5:15 pm

Where: Scoresby Secondary College
Cavell Street Scoresby 3179

Cost: \$100

Contact: 9765 4100

Email: scoresby.sc@education.vic.gov.au

Applications close Friday 1 September 2023

JET@S – Scoresby Secondary College

Junior Excellence Tuition at Scoresby (JET@S) is an exciting initiative for grade 4 and 5 students, conducted after school in Term 4 at Scoresby Secondary College. It is based on research into the relationship between student engagement and learning. The program has been introduced as part of the transformation of Scoresby Secondary College that has led to the development of partnerships with tertiary providers including Monash and Melbourne Universities, industry partners Thermo Fisher Scientific, Australian Business Community Network, Building Better Australians Incorporated and acknowledgement of the changes by many educational leaders. For information on the application process please contact the college on 9765 4100 or email scoresby.sc@education.vic.gov.au
