Principal Team Report Term 3 Wrap

It has been a jam packed Term 3 with a number of highlights across the year levels.

We had another amazing school performance, students competing in a number of sporting events, 5/6 camp, incursions and excursions and some incredible academic achievements across ICAS, Premiers Spelling Bee and Premiers Reading Challenge.

MWSC Music Performance

On Friday, Mount Waverley North Primary School attended a concert at the Unicorn Theatre. The faculties at both schools have been working together all term to offer the primary students an educational opportunity to attend a concert and participate in a unit of work analysing the music.

The concert was performed two times by the Jazz Combo and the Stage Band, and was compared by music leaders from Mount Waverley SC who showed agency through their assistance in helping to run and organise this event. It was a wonderful experience and a great community event. A big thank you to Miss Jackson for organising the event.

Term Dates

Term 4, 2023: 2 Oct - 20 Dec

African Drumming

This week the students celebrated the finishing of their music unit with our African Drumming Incursion. Students participated in creating rhythm, beat, tempo and volume along with dance. We would like to give a big thank you to Miss Jackson for organising such a memorable event.

Inquiry Expo

On Wednesday our Prep to 4 students showcased their amazing work at our Inquiry Expo. Students have been working throughout the term on the topic Landscapes and Our Environments. It was wonderful to see the pride students showed and how excited they were to discuss with visitors what they had learnt.

Footy Colours Day & Happy Holidays

We finished the term on a colourful note with our annual Footy Colours Day. Students dressed up in their team colours and enjoyed a pie, pastie or sausage role. We would like to thank the PFA for putting on Footy Colours Day.

As Term 3 comes to a close we would like to wish all students and families a very restful and safe holiday break and we are very much looking forward to seeing you back at school very soon!

JET@S – Scoresby Secondary College

Junior Excellence Tuition at Scoresby (JET@S) is an exciting initiative for grade 4 and 5 students, conducted after school in Term 4 at Scoresby Secondary College. It is based on research into the relationship between student engagement and learning. The program has been introduced as part of the transformation of Scoresby Secondary College that has led to the development of partnerships with tertiary providers including Monash and Melbourne Universities, industry partners Thermo Fisher Scientific, Australian Business Community Network, Building Better Australians Incorporated and acknowledgement of the changes by many educational leaders. For information on the application process please contact the college on 9765 4100 or email scoresby.sc@education.vic.gov.au
